Dear Parents:

Young people have been serving Mass for centuries. They have helped to get things ready: assisting the priest with vestments, lighting candles, carrying the books used at Mass, ringing bells, saying prayers in practically every language known. They have been getting up early in the morning and staying up late at night, to serve at the altar. Of utmost importance, however, is not really the things they do, but the example they give.

The people and the priests count on the Servers. St. Jude parish is currently inviting boys and girls interested in becoming a Server at Mass. Servers play an important role in the life of the parish. If your child is 3rd grade or older and has received his/her First Holy Communion, and is interested in being a Server, please fill out the form below and return it to the Rectory. You may mail it, email it or drop a hard copy in the collection or at the Rectory.

Servers will be required to attend 2 of 4 offered sessions in order to be placed on the schedule or to serve at school Masses.
